[MUMBAI].By Jaipreet Deol
NEW DELHI (Reuters) - Indian
Prime Minister Narendra Modi's
Bharatiya Janata Party (BJP) lost
power in three major Indian states
including the capital on Monday,
dealing a significant blow to his
hopes of winning a third term next
year and dealing a significant
setback to his efforts to deepen ties
with Pakistan. The setback in
India's most populous state Uttar
Pradesh cast doubt on the future of
a much-touted move to amend the
Indian constitution, which would

make an external affairs minister the second highest in line of succession after the president. The BJP has ruled Delhi and other states in India for nearly a decade, but with two of its strongholds of Uttar Pradesh and Bihar, it lost power for the first time in its rule in late 2004 after one of its defectors, the Samajwadi Party, joined with an anti-BJP alliance. The BJP won just a single state, Uttarakhand, in 2013, two years after the last general election, and lost the country's biggest state,

Gujarat, which it had controlled for nearly two decades to the Congress opposition. United in opposition to the BJP was the regional Samajwadi Party, which had won 17 seats in Uttar Pradesh, up from just one before

help me and tell me what i need to
do to create file with docker. A:
[remote] => You are using a
python script to upload to
dockerhub. The above is just the
raw direct link to GitHub which
does not relate to any python script.

I think the best approach here would be to find the python script, and upload that to your docker image, then point your batch to run that script. Q: How to add a value 3ef4e8ef8d
