Download Horizon Zero Dawn PC game for free, From Wikipedia, the free encyclopedia. HORIZON ZERO DAWN is a single-player, third-person, action-adventure video game developed by Guerrilla Games and published by Sony Computer Entertainment in March for PlayStation 4 and Microsoft Windows. Horizon Zero Dawn is the first game in a trilogy by Guerrilla Games, their first game to be released on PC, and is the spiritual successor to their

game Guerrilla's Killzone series of games. It is the first time that a game developed by Guerrilla Games features a female protagonist. The game's antagonist is the indigenous hunter tribe of the year-long protagonist named Aloy, who is also the game's main character.

Technical information. Horizon Zero Dawn is the first game in a trilogy by Guerrilla Games, their first game to be released on PC, and is the spiritual successor to their Killzone series of games. It is the first time that a game

developed by Guerrilla Games features a female protagonist. The game's antagonist is the indigenous hunter tribe of the year-long protagonist named Aloy, who is also the game's main character. The game's protagonist is a young hunter named Aloy. She has a deep love for her people and the tribal lands. While she is brave and heroic, Aloy is an anomaly, preferring stealth and the bow to violent confrontations. Following the fall of a great civilization, the primitive tribe in the game's setting is united under a totalitarian regime that seeks to exploit their natural resources. Horizon Zero Dawn takes place in a post-apocalyptic fictional setting.

The world has been abandoned by all of its advanced societies, due to widespread ecological damage and the ensuing worldwide "Cold War" between two factions of world governments: the civilized and technologically advanced "Cartel" and the indigenous hunter tribe, known as the Gua. The world is mostly inhospitable, with the remaining native fauna and flora having been mutated and overtaken by technologically superior mutant creatures known as Huntsmen. This game takes place in a post-apocalyptic reality where the majority of

society has been abandoned and heavily mutated. This game takes place in a post-apocalyptic reality where the majority of society has been abandoned and heavily mutated. Aloy's world is inhabited by remnant humans, indigenous
