And so, to restore just the configuration, you have to create a set of folders as the ones of the old format, and copy the configuration files, stored at the old format, as they are in the new format. instead. The information is easy, but that is not good at all. A: I'm using playSonic, it is very good. It have the capabilities of emulating almost all hardware in ps3. Their site ask for \$7.99/mo for their base program which works amazing. A: There is such an emulator called EmuNand that might be interesting for you. for "in custody" and held that a defendant's probation was not an "in custody" situation. In the instant case, the conditions of the petitioner's probation required that he stay in the county jail from 6 p.m. on Sundays to 6 p.m. on Tuesdays, conduct himself in a proper and orderly manner, submit himself to the orders and regulations of the presiding judge, perform 150 hours of community service, not associate with persons having criminal records or juvenile records, abstain from the use of controlled substances, alcohol or narcotics, and pay all costs of probation. The payment of the costs of probation and this type of condition are often not sufficiently restrictive to constitute "custody." The Court also notes that none of the state funds are expended on the petitioner's probation; rather, the money expended goes to the community-based detention facility. Additionally, there is no statutory prohibition against the release of a prisoner on probation. As noted by the Fifth Circuit, a petition for writ of habeas corpus is not meant to be used to relitigate issues that were resolved against the prisoner in his state court trial or to relitigate issues concerning his conviction. Powell v. Ducharme, 871 F.2d 1425, 1429 (5th Cir.1989) (citations omitted). This Court finds that, under the cases referred to above, the petitioner was not "in custody" at the time of the filing of his petition and no relief shall be granted on that ground. The Court notes that the petitioner has not raised any argument concerning the nonexistence of "good cause" for the tolling of the statute of limitations. Accordingly, IT IS
