Creep World, is a fantasy arena battle mod which aims to emulate the feel of the popular series. Creep World DLC (Creep World Map) is a fantastic mod pack designed specifically to provide the unique features and perks of the DLC in your regular Minecraft world (for the Starter Edition and Education Edition of Minecraft).

The Creep World Map DLC will also give you access to the challenge mode and its unique 2-player option! When not in combat, the Creeper is able to run around at high speeds and jump over enemies or walls. Creep World 4 has multiple characters and can customize its movements by selecting a different set of skills for each character. It can have a maximum of six players, each controlling a different character. The current five available characters are the Creeper, Bouncy Bouncy, Demolition Man, Mister Krabby and Brittle Bob. The Creeper has 8 different special abilities that can be used in combat. These abilities include knocking down enemy traps with objects, fire damaging projectiles, charge an area with electricity and more. Each character has 10 attack skills and defense skills that can be customized between levels. The Creeper's damage is calculated by multiplying its level by its combined attack bonus, and the damage is then modified by various other factors. Each of the Creeper's skills have a cooldown before the skill can be used again.
